Dear Sirs,

I have just had my first outing on this Superb Combination. Having ridden a number of motor cycles of various makes I can say now, after this short period, that this amazing motor cycle is simply incomparable, and I felt I must write and congratulate you on producing such a magnificent model.

Dear Sirs,

In reply to your request to publish part of my previous letter, I am only too pleased to agree, as the more I ride this masterpiece the more convinced I become that I have purchased the finest Motor Cycle ever made.

Signed :—HERBERT CROASDALE.
